# WHAT IS THE EQF?

**Translation device  
for comparing qualifications**

**Neutral reference point  
based on  
learning outcomes**

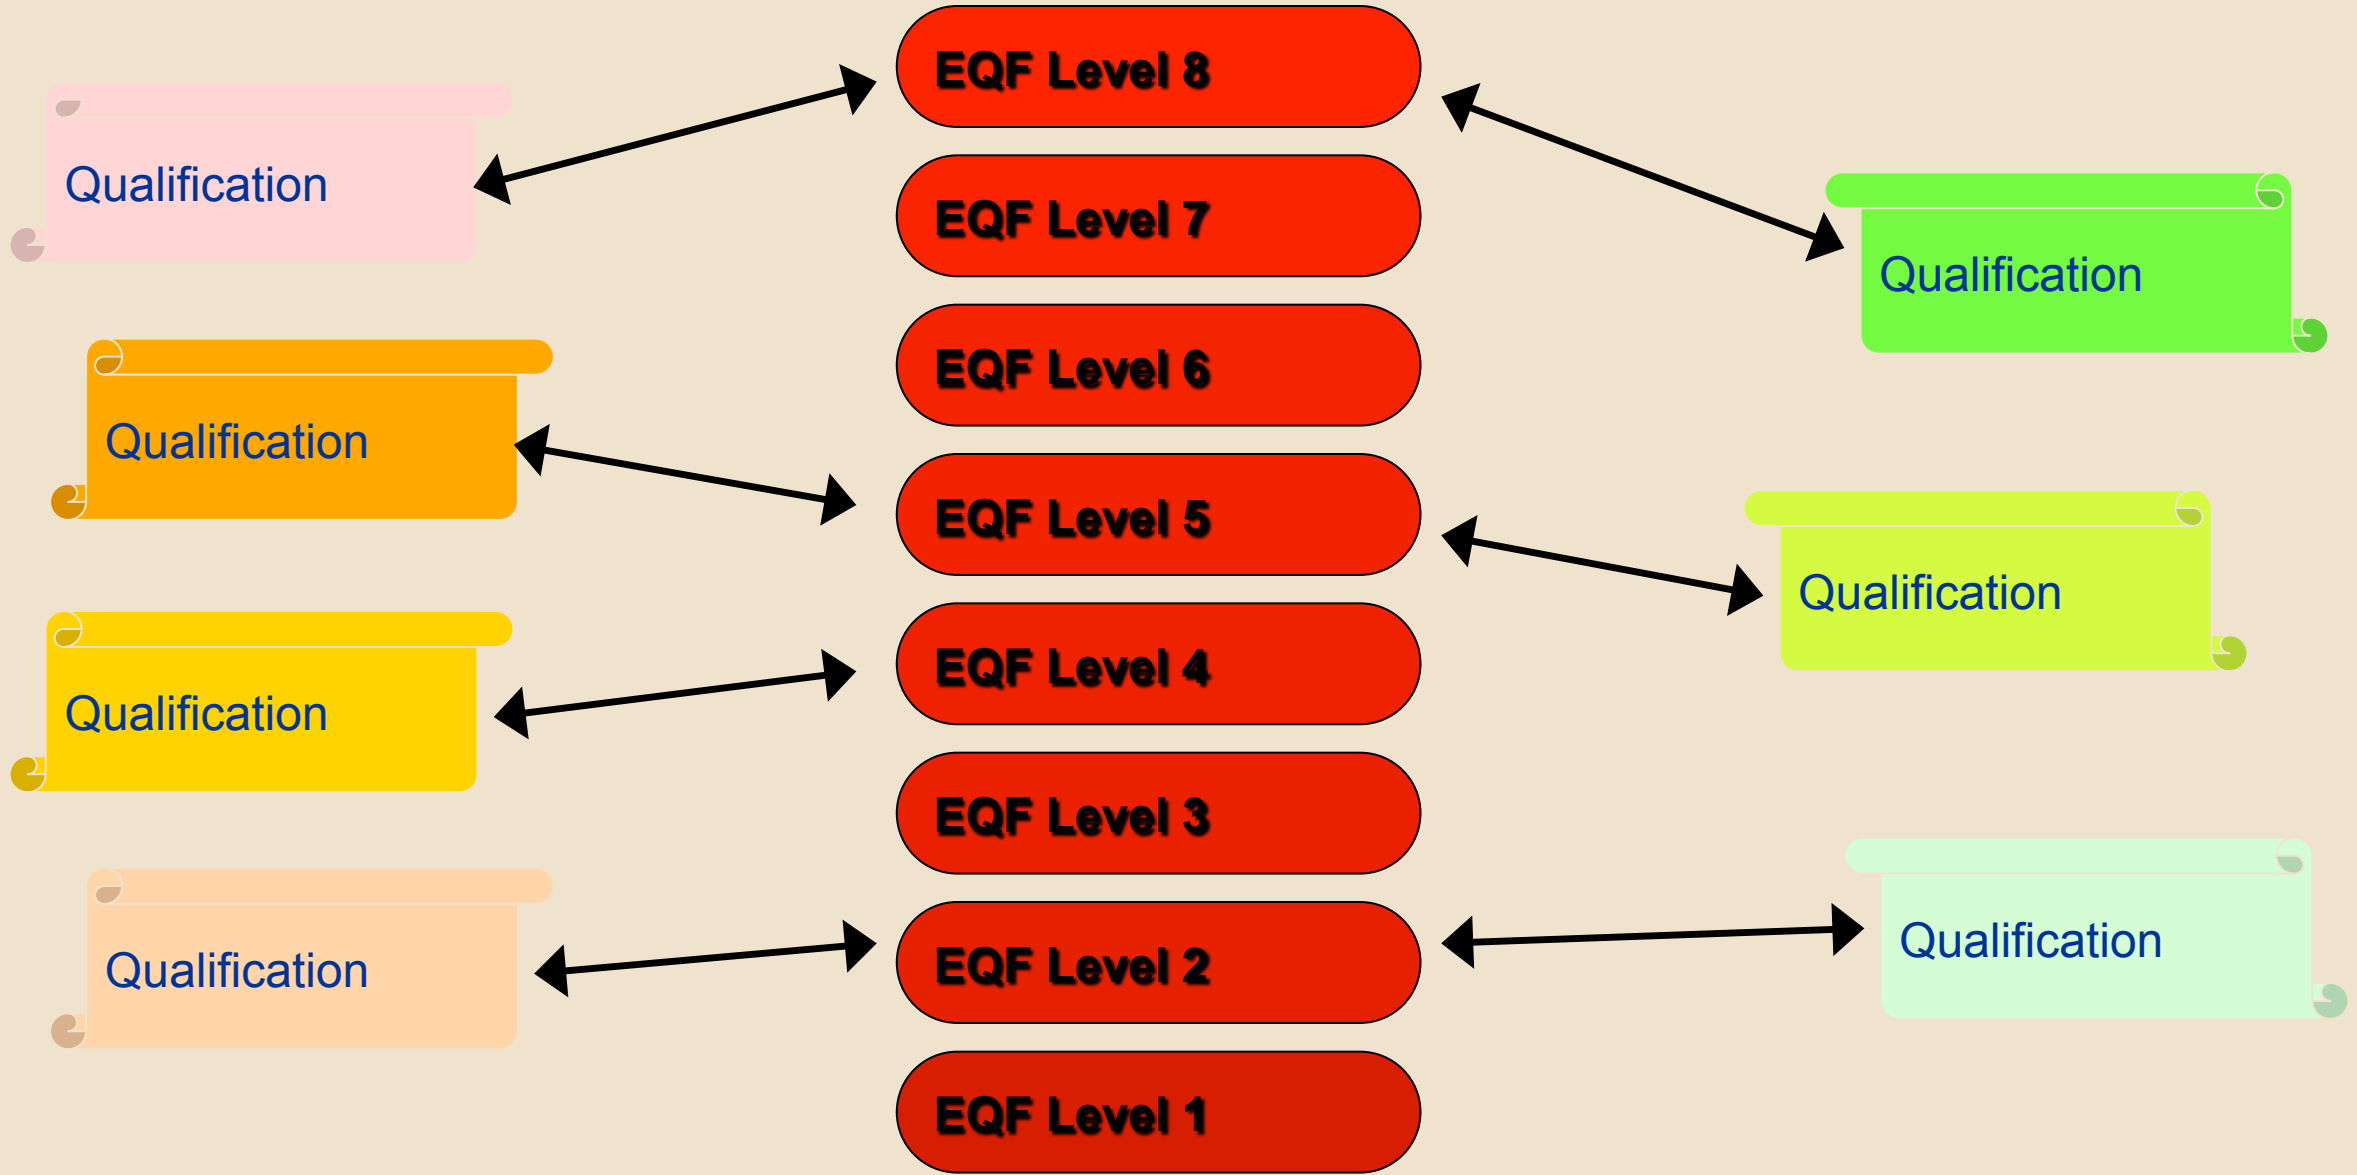

# **OUR LIFELONG LEARNING EXPERIENCE: OBSTACLES!**

- **within and between countries**
- **between education and training systems**
- **to use of acquired skills**
- **to new learning**

# Country A

# Country B

# WHAT IS THE EQF LEVEL 5?

Provides opportunities between higher education and VET education

A typical level 5 qualification is provided by a short-cycle higher education program

# THE EQF BENEFICIARIES:

- **Individuals**
- **Sectors, employers and social partners**
- **Education and training systems**

# SUMMARY

- **8 common reference levels (learning outcomes)**
- **Implementation is voluntary**
- **Level 5 interferes among higher education and VET**
- **Level 5 qualifications double function: aim to immediate employment and further learning**

**THANK YOU!**
